

Horse & Hounds are Welcome Here!

Iron Creek Farm Bed and Breakfast

WHERE IS YOUR “BEST FRIEND” SPENDING THE HOLIDAYS?

Do you have guests coming for the holidays but can't accommodate them? The Iron Creek Farm Bed & Breakfast is the perfect solution.

There is a one time charge of \$15.00 per dog and, under most circumstances, hosts Anne & Ken Ross-Raymond can dog sit while their owners go where the dogs are not welcome. Bringing your “best friend” with you is far superior to putting them in a kennel.

Also, because Iron Creek is a 100 acre horse farm, there are lovely trails to hike or ride. Dogs can frolic off-leash, even swim in nearby river. Cross country ski, or use the snowshoes the B&B provides. A snowmobile trail is nearby or downhill ski at nearby Ragged Mountain.

Rooms are reasonably priced, including a two night package.

They offer a bountiful continental breakfast, however, hosts Anne & Ken usually are available to provide a cooked breakfast and will allow the use of their kitchen facilities for other meals.

Ironcreek is always willing to take guests for one night except on a major Holiday like Columbus Day.
